

Light & Privacy, All in One

Designed to combine two fabrics in one system, each shade is controlled independently for precise control of light and privacy.

- Contemporary 5" fascia design available in a variety of colours with matching end caps.
- Fascia reduces light seepage at the top of the window.
- Wide variety of rollershade fabrics available to mix and match, or use Sun Glow's paired options  for a coordinated look.
- Each shade can be independently set as standard or reverse roll orientation.
- Side channels are available for back shade only.
- Available with chain or motorized operation.
- Motorized options powered by SG 12V Rechargeable, Somfy R28, Somfy R30 Junior, Somfy Sonesse 30, and Somfy Sonesse 30 Wirefree motors.
