

Skylights Made Beautiful

With complete control over daylight at any angle, The Nimbus System helps you maintain comfortable temperatures year round.

- * Powered by Somfy Motors [somfy](#).
- * Can make with V84, V102 or Fascia at one end and spring box at the other
- * Available in white or anodized to complement a variety of decor
- * Bottom Bar connects to guide rails and support bars provided to minimize fabric sagging
- * Symmetrical light gaps for a balanced appearance
- * Choose from Sun Glow's impressive collection of exclusive roller shade fabrics
- * Can be installed as a stand alone system, integrated into a smart home system, or integrated into a building management system
