Decorative Trims & Pulls

Variety of Trims & Pulls

Mix and match trims and pulls to express your personal style, or get that coordinated look with one of Sun Glow's matching accessory pairings. Sun Glow's Trims and Pulls offer a stylish, functional solution for enhancing any window shade. Our trims add a decorative edge that completes the look. Available in a range of finishes and materials—from sleek metals to warm woods—Sun Glow's accessories are designed to match or enhance the aesthetic of any space. Whether you're looking to add a modern, minimalist touch or a more classic, luxurious detail, our trims and pulls are the ideal choice. Customizable options allow you to personalize your window treatments with colors, textures, and finishes that suit your specific taste or brand style. Crafted with durability in mind, these accessories are perfect for both residential and commercial use, bringing ease of function and a polished look that complements any window treatment.

Features & Benefits

- **Enhanced Style and Sophistication:** Our selection of trims and pulls adds a refined touch to window treatments, allowing you to match or complement any interior decor.
- **Customizable Option:** Choose from a wide variety of finishes, materials, and styles to create a unique look tailored to your space.
- **Durable and Long-Lasting:** Made with high-quality materials, Sun Glow's trims and pulls are crafted to withstand daily use, ensuring they retain their beauty over time.
- **Perfect for Residential and Commercial Spaces:** Suitable for any environment, our trims and pulls bring style and functionality to homes, hotels, and more.
