Features & Benefits

- Compatible with small and large windows: For windows small and large, combine classic elegance with modern functionality.

- Wide range for motorized control: Simple and effective motorization options from SG Rechargeable Motors and Somfy automation.

- New internal tube driven mechanism: New tube hardware to allow for smoother operation.

- Velcro-attached fabric front: Enhance the aesthetic of your shades with easily-attachable fabric fronts.

- EasyLock Cord Winder to prevent tangling: Easily assemble and balance cables to avoid cords from getting tangled.

- Fast installation with easy mounting brackets: Spring loaded brackets allow for snap-in installation.
