

FABRIC VALANCE

Installation Instructions

The instructions below are ceiling mounting the fabric valance with a PVC angle.

1 INSTALL THE PVC ANGLE

Fasten the PVC angle to the ceiling in the appropriate position with the mounting screws. Make sure the Velcro strip side faces the room interior. Leave enough space for the shade to operate without interfering with the valance.

2 ATTACHING THE FABRIC VALANCE

Align the velcro strip on the fabric valance with the velcro strip on the front of the plastic mounting angle. Start at one end and press the velcro together. Continue this process for the entire length of the valance to ensure a secure hold.

FABRIC VALANCE - WALL MOUNT
